Attachment to Application and Affidavit for Search Warrant

I, Donny T. Simmons, Postal Inspector, being duly sworn, depose and state as follows:

I have been a U.S. Postal Inspector for the past 21 years, enforcing federal mail and drug laws; currently assigned to Columbus, OH. I have received training at U.S. Postal Inspection Service National Training Seminars for mail related criminal investigations and have investigated cases with other federal, state, and local police units.

The U.S. Postal Inspection Service is aware that drug traffickers have been using Express Mail, a business-oriented service offered by the Post Office, to transport controlled substances and transfer funds, cash or otherwise, to further their enterprises. As a result of past investigations and prosecutions, the Postal Inspection Service has determined that a number of indicators can be used to identify packages containing contraband that have been entered into the Express Mail network. Inspectors routinely review shipment documents and Express Mail packages originating from or destined to drug source areas, to identify instances where there is a possibility of drug trafficking.

On March 23, 2012, Postal Inspectors in Columbus, OH, were examining incoming Express Mail at City Gate Processing and Distribution Center, Columbus, Ohio. Inspectors found a package that they believed contained illegal narcotics.

On March 23, 2012, Postal Inspectors took custody of USPS Express Mail parcel EI067250420US addressed to Fred Anderson Sr., 1595 Huxley Rd., Columbus, OH 43227; bearing the return address of Kim Anderson, 1013 Weber Circle, Ventura, CA 93003. The parcel is a 14"x 14"x 14.5" brown cardboard box, sealed with clear tape, weighing 9.4 pounds; mailed on March 22, 2012, from Ventura, CA 93003, with \$76.95 postage affixed.

A computerized address check revealed 1595 Huxley Rd., Columbus, OH 43227 is a legitimate address in Columbus, OH 43227; however Fred Anderson Sr. is not shown as residing at that address. A computerized address check was also conducted for, 1013 Weber Circle, Ventura, CA 93003 this is a non-existent address in Ventura, CA 93003. Your affiant knows that drug traffickers have, in the past, used unknown names, at legitimate addresses to receive parcels containing illegal narcotics and non-existent addresses for the sender, on packages

containing source area for shipment of illegal narcotics to Central Ohio as well as other areas of the United States.

On March 23, 2012, Postal Inspectors contacted Officer Ricky Anderson, Columbus Police Department, who is the handler for "Cyrus", a drug detection dog, most recently certified by the Ohio Peace Officers Training Council for the detection of: marijuana, hashish, cocaine, "crack", heroin, and methamphetamine. K-9 "Cyrus" has had 200 hours of training at Gold Shield Training Kennels, Blacklick, OH, a well-established and regarded training facility for police canines. Both in training and actual deployments, K-9 "Cyrus" has successfully detected narcotics; demonstrating clear, positive, aggressive alerts, establishing himself as a highly reliable police dog.

The subject parcel was hidden among postal packages at the Main Post Office, 850 Twin Rivers Dr., Columbus, OH 43216. "Cyrus" was allowed to search the entire area. Officer Anderson concluded that K-9 "Cyrus" alerted positively to USPS Express Mail parcel EI067250420US, indicating the presence of narcotics.

Based on the facts set forth in this Affidavit, I believe there is probable cause to believe that controlled substances are being concealed in the parcel, and seek the issuance of a warrant to search the parcel for controlled substances to be seized.
